

Lisa and Graham Ellis - our meeting room
in The Cottage at 48, Spa Road, Melksham, SN12 7NY.
as at 12th September 2021

* We're involved with a number of groups - happy to host small (officer/committee) type meetings where we are attending or hosting. **The physical venue is our personal space and we will do our best to ensure we're clean and well spaced, but it's your call and at your risk when you come.** As it's our place, we reserve the right to deny access and do not need to give a reason.

* There is well spaced seating around three sides of a conference table for six persons, with a projection wall on the fourth side and/or space for a lecturer there. Once we're less concerned about social distancing, we can do up to eight or even 12.

* Most meetings are also be accessible via Zoom (we publish codes ahead of time); our setup is somewhat rudimentary, but allows distant contribution. WiFi is available - network name and password on the day.

* Tea and Coffee typically on tap prior to (and perhaps during) the meeting. We **do** have a loo and washbasin - clean, but in need of some TLC/updating

* The meeting room is in the gatehouse building on the right at you turn in, but please turn left and park beside the garage. **If you have restricted mobility, drive right round and park in the spaces close to the meeting building, which are set aside for you.**

* We are served by bus routes 14, 15, 271 and 272 - these are all Monday to Saturday daytime only services.

"Coronation Road" bus stop is right outside. For evening and Sunday meetings, only route 273 runs at present - nearest stop is at the Market Place - about 400 metres away. Monday to Saturday daytimes, the Market Place is also served by routes x34, 68 and 69. We are around a 25 minute walk from the station - there is no taxi rank there (numbers via <http://melksham.town/taxis> to arrange one) and no buses.
